

Admissions under Extra-Curricular Activity (ECA) Category

Candidates seeking admission in AUD who have special talent and achievements in the areas of Sports, Theatre, Dance, Music, Fine Arts, Debating and Creative Writing can apply under the ECA category for admission to any programme, except in the School of Culture and Creative Expressions and the School of Business, Public Policy & Social Entrepreneurship. This admission possibility is open only to candidates who have already applied to AUD and whose names are not present in the second list of the course/s that they have applied for.

They are required to apply on a specific ECA Application Form, downloadable from the AUD website, along with relevant certificates of achievement and portfolio, if any, in any of categories for which ECA admissions are being considered this year. Hard copy of the application has to be submitted for the same to the Dean, Student Services, AUD. The shortlisted candidates will have to appear for trials/auditions in the concerned areas and fulfill a minimum standard as decided by the relevant trial/audition committee, after which eligible candidates will be recommended for admission to different programmes. The decision to finally offer admission to candidates recommended by the ECA committee will be of the Admission Committee of the particular programme/s that the candidate has applied to.
