AMBEDKAR UNIVERSITY DELHI
CAMPUSES @ KARAMPURA |
KASHMERE GATE | LODHI ROAD

SCHOOL OF UNDERGRADUATE STUDIES (SUS)

The School of Undergraduate Studies (SUS) aims to offer its students a unique liberal arts education that acquaints them with diverse approaches to knowledge. The undergraduate programmes at AUD encourage students to think critically and creatively, to analyse and reason, to communicate effectively, and to draw evidence-based conclusions. It aims to achieve a balance between the range and depth of the subjects studied.

The unique aspect of Undergraduate programmes at AUD is that there are common modules for foundational skills comprising language, writing skills, communication skills, analytical reasoning and a core module in social sciences. This is done through a blend of common foundational courses, languages, core discipline courses and a wide range of elective courses. Students experience the flexibility of choosing courses from more than disciplinary area in order to develop a broader perspective on social sciences and humanities. They also have the opportunity to seek transfer from one programme to another, provided they meet certain criteria.

Teaching Methods

The teaching method in AUD is interactive and learner centric. The pedagogy comprises of lectures, tutorials, lab classes, field work, workshops and seminars.

Attendance Policy

The School of Undergraduate Studies follows a mandatory attendance policy. Students are expected to attend all learning situations. The penalties for low attendance are applied in the form of 'grade cuts' based on a sliding scale of attendance shortfall.

Assessment

Assessment is continuous, with regular feedback. The aim of continuous assessment is to ensure that the work done during the semester carries more weight than a single end-semester examination.

Medium of Instruction

The medium of instruction at AUD is English. The university provides a range of support systems for English language education through its Centre for English Language Education. Mentoring is an important feature of all programmes in AUD.

BA HONOURS IN SOCIAL SCIENCES AND HUMANITIES (SSH)

The BA Honours Programme in Social Sciences and Humanities (SSH) can best be described as an immersion in interdisciplinary humanities. It allows students to explore three disciplines/ disciplinary areas of the School in some depth over three years while obtaining the wider benefits of a liberal arts education.
