PhD Programme in Economics
Admissions 2020-2021

SCHOOL OF LIBERAL STUDIES

SLS is home to postgraduate studies and research in Economics, History, Sociology and Mathematics. It offers a range of interdisciplinary, diverse and overlapping programmes that support, encourage and redefine liberal arts education through a number of interdisciplinary courses, participatory pedagogy and teaching-learning processes that go beyond the classroom to engage with the field.

PhD IN ECONOMICS

The Ph.D programme in economics aims to provide a well-rounded and rigorous training in economics which will enable research scholars to address substantive questions using economic theory and empirical methods. It aims to produce scholars alive to the multiplicity of disciplinary traditions in economics and the connections of these traditions to each other and to other branches of human knowledge.

Programme details

- The PhD program strictly adheres to the rules and regulations of the University Grants Commission, as they are enforced and revised from time to time. The current regulations in force can be found [here](#).
- The PhD program is guided by the research studies ordinance and regulations of the University, which can be found [here](#).
- Minimum duration of **three years** and maximum duration is **six years**. Extensions and relaxations are applicable as per PhD Regulations 2021 [here](#).

Procedure for Admission

- The admission to the PhD program is based on a two-stage process consisting of an Entrance Test and a Personal Interview.
- The applicants are required to submit a written research proposal along with the application. The research proposal (not exceeding 2500 words) should clearly delineate his/her tentative research theme/focus/areas and should elaborate on the research questions comprehensively.

- The written examination will consist of subjective questions broadly based on a Masters level curriculum in Economics.
- For the interview the candidate will be required to present her/his research proposal and would be expected to have a comprehensive understanding in the area chosen in the proposal.
- The selection process, and specially the interview, would emphasize innovative thinking ability and a genuine interest in research. The alignment of the student's research interest with the on-going thrust research areas of the faculty would also be taken into account. Applicants are requested to familiarise themselves with the research interests of the faculty through their profiles [here](#).
- Applicants are required to apply online on the admissions portal of the University with relevant documents.
- In view of the Covid-19 pandemic, the admission process, entrance test and interview will follow the format (online or offline) as decided by the University from time to time. Applicants are strongly advised to regularly check the [University Admissions website](#) regularly for details, updates and modifications.
- The Entrance Test shall be qualifying with qualifying marks as 50%. The syllabus of the Entrance Test shall consist of 50% of research methodology and 50% shall be subject specific.
- An interview will be organized for the qualified applicants. The applicants are required to discuss their research interest/ area through a presentation of their research proposal before the Ph.D. Programme Faculty and RSC. The interview/viva voce shall consider the following:
 - i. whether the applicant possesses competence in the proposed research area.
 - ii. whether the research can be undertaken at the School.
 - iii. whether the proposed area of research can contribute to new/additional knowledge in the field.
- The Entrance Test shall be of 70% weightage and performance in the interview shall carry a weight of 30%.
- The interview, the Entrance Test and exemptions from the Entrance Test are guided by the Regulations Relating to the Award of Degree of Doctor of Philosophy, 2021 that can be found [here](#).
