

NOTICE: CUET UG Application Form Correction 2022

The National Testing Agency (NTA) has re-opened the CUET UG 2022 application correction window for editing student particulars. The applicants can access the login window and make changes in the student particulars of the CUET application form window 2022.

To edit CUET application form 2022 please visit official website- cuet.samarth.ac.in

The CUET form correction 2022 enables applicants to edit the 'student information' and does not extend to anything else. Additionally, applicants have the option to select more universities and programmes.

The Dr. B.R Ambedkar University requests all applicants who wish to opt for the University as their choice or add new programmes based on eligibility criterion (as announced on university website) may do so as the editing option is available presently till further notification.
