

Event Report

The Universities are requested to share the activity report in the format given below.

Name of the Activity:	G20_Inspection Visit of Hon'ble LG Sir at Quadsia Ghat of Yamuna Plains		
Theme of the Activity:	Climate Change		
Activity Date(s):	06 March 2023	No. of Participants:	50
Brief Description of the Activity:			
<p>The Honourable Lieutenant Governor conducted an Inspection visit of the intensive cleaning operations of Yamuna at Qudsia Ghat near ISBT, Kashmere Gate. Since 16th February 2023 till 6th March 2023 there has been a marked improvement in the quality of water at the Ghat.</p> <p>Officials shared that apart from putting in place an innovative “Drain BOD Reducing” technique, the water has been completely cleaned of all garbage, hyacinth and plastic waste using floating booms and a mechanized Conveyor Machine installed along the river bank. An artificial wetland system comprising Root Treatment Plants namely Canna Indica and Vetivar Grass has been created to clean the sewage water coming in from Qudsia Drain and riverine grasses have been planted to stabilize the banks of the drain.</p> <p>In order to treat the drains falling into Yamuna, an innovative “Drain BOD Reducing” technique has been adopted under which various contraptions in the form of lime and alum box and improvised stone weir have been installed in Qudsia Drain. Further, floating debris catcher net, floating boom and mechanical aerator system (fountain) have been put in place.</p> <p>A large number of students of Master In Conservation, Preservation And Heritage Management, MA Archaeology And Heritage Management and Bachelor's in Business Administration, Bachelor's in Arts, representatives of NCC, and NSS wing, Senior Management, Faculty and Staff of Dr B R Ambedkar University Delhi were amazed to see the transformation of the river in such a short span of time.</p>
