Theme of the Activity:	Environment and Climates Sustainability and Employment with Empowerment		
Activity Date(s):	17th March launched 24th March Last date to register 26th March Hackathon	No. of Participants:	100+
Brief Description of the Activity:			
<p>The University organised a Hackathon competition where as many as 100 approx teams registered for the Hackathon Challenge. These teams were from across the country from Mumbai, Kolkata, Rourkela, Varanasi etc. The students who registered belonged to NITs, IITs and other prestigious institutions. In the first round, participants were required to submit solutions to one of the two social problems i.e. Homelessness and Waste water. 9 teams were then shortlisted based on their responses in the first round for the Masterclass and the Second Round. The Masterclass was conducted by Dr. Pushpendra Singh, Advisor, Entrepreneurship Development Cell, Dr.B.R. Ambedkar University Delhi. He advised students about using Design Thinking Steps to come up with innovative solutions for problems. The Second Round included presentations by the shortlisted participants. The winners were declared on the basis of solutions suggested by the teams in the presentations.</p>			
Brief Description of Participants (like industry experts, students, faculty etc):
