<b>Brief Description of the Activity:</b>			
<p>A team building simulation activity had been conducted for BBA 3rd Year students on 26th April 2023 as a part of the Team Building and Management course by course instructor Dr. Priyanka Aggarwal, Assistant Professor, SBPPSE. A student shared that "It has been a really fun and enriching experience. The goal of the activity was to complete the summit to Mt. Everest, this simulation was designed by the Harvard Business School Publishing. The activity focused not only on teaching us about team work but also teaching us about the importance of personal goals and the alignment of personal goals with team goals.</p> <p>Learning about teamwork outside the walls of the classroom provided a practical aspect to the theories." The simulation was very helpful for the students and had been a stimulating experience.</p>
