ACTION TAKEN REPORT, 2018-19

Given below is a summary list of the actions taken during the year 2018-19 based on the IQAC initiatives and work.

1. Organised a series of consultation meetings to plan the curriculum and transaction of a three-week professional development workshop on Digital Learning Integrated Curriculum Design (DLICD).
2. DLICD was organized in two phases. 21 faculty members of AUD participated in the workshop and adapted one of their courses to the AUD LMS platform, Moodle. Workshop was conducted in two phases, December 10-22, 2018 and May 14-19, 2019.
3. Organized a two-day workshop on 'Learning Outcomes based Curriculum Framework' which was organized on 25-26 April 2019. Programme Coordinators of all the UG and PG programmes attended the workshop. A subsequent meeting was held on 20 May with all the Programme Coordinators and Deans of Schools where all the courses and programme documents were presented as per the LOCF.
4. Organised an alumni contact drive and approached all the alumni of AUD to collate data on their achievements after graduating from AUD.
5. Initiated and facilitated the preparatory work for the second cycle of NAAC accreditation due during 2019-2020.
6. Initiated meetings and consultations with schools, centres and divisions on the new assessment and accreditation system introduced by NAAC and the ways of aligning the process documentation of their activities accordingly.
7. Initiated and facilitated the process of integrating digital interface with conventional curricular and pedagogic processes.
8. Supported various schools in the process of streamlining the process of collection and analysis of student feedback on courses.
9. Contributed to the university's participation in the NIRF ranking process and completed the formal processes for the same.
10. Contributed to the university's participation in the MHRD's Atal Ranking of Institutions on Innovation Achievements.
