

Dear Friends,

Congratulations!!!

I am pleased to share with you all that AUD has been placed in the rank Band A (6-25 Rank) under the Govt. and Govt. Aided Universities category in the Atal Ranking of Institutions on Innovation Achievements (ARIIA) 2020, by Ministry of Education, Govt. of India.

The 'Atal Ranking of Institutions on Innovation Achievements (ARIIA)', systematically ranks education institutions and universities primarily on innovation related indicators. A total of 674 HEIs under different categories had participated in ARIIA 2020. This ranking is a yardstick of performance of HEIs on the parameter of Innovation and Entrepreneurship. Our positioning in such rankings reaffirms the efforts of the University in creating an environment of imagination, innovation, creativity and collaboration.

AUD is constantly endeavoring to foster a culture for innovation and excellence through its programmes and pedagogy. The University has launched Master of Business Administration in Innovation, Entrepreneurship and Venture Development (MBA-IEVD) from the Academic session 2020-21. I believe that such efforts are bound to have a resonating impact on our position in various rankings.

Congratulations on this remarkable achievement!

With All the Very Best for Future.

Prof Anu Singh Lather
Vice Chancellor
Ambedkar University Delhi
