ENGLISH PROFICIENCY TEST (EPT) 2020

For First Semester Students

CELE is happy to welcome all first semester students of various undergraduate programmes (2020-23) of AUD.

It is necessary for all newly admitted students of undergraduate programmes to undertake an **English Proficiency Test**. The EPT is aimed at assessing the competence of students in English, so that relevant support can be provided and that teachers can align their courses accordingly.

Please note that the scores in this test are NOT counted in any course assessment or the programme scoresheets. They will only be used by concerned teachers for planning their courses and organising English support. It is strongly recommended that students should not take any outside help or indulge in copying, because it may lead to an incorrect idea of their English proficiency and ultimately be disadvantageous to them.

The test will be held online due to the Covid-19 pandemic restrictions. The test is scheduled on **Monday 28th December 2020 from 11 am to 1 pm**. A link to the online test will be sent to the registered mail IDs of the students 10 minutes before the test.

The test will be of 2 hours' duration and will carry 50 marks. It will have objective questions based on grammar and vocabulary, some reading passages and one writing task. The test will be provided as a Google Form.

Best Wishes!
